RE: Transfer Application- Dee Stoker

Dear Brent,

Enclosed is the transfer application that deals with the addition of two PODs to Dry Bed for Dee Stoker. Please review the application and make any necessary corrections. The orange dots are areas that need additional attention to either confirm correct description for application or your signature. A copy of the agreement between Long Island Irrigation Co. and Dee Stoker will need to accompany the application when you return it to the office. After further thought, it would be in your best interest to get the notarized agreement recorded at the county courthouse.

If you have any further information, please contact me at the office.

Sincerely,

Denise Kidman
Water Resource Agent
