RE: Change in Ownership Water Right No. 75-93D & 75-7427

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Completed Form-Assignment of Permit**

**** **Plat of Property or Survey Map** usually on file with the county

The department currently has a backlog on ownership changes, so I do apologize for the delay on completing your application. The legal description provided with your application is partially lot and block description. In order for the department to determine the location a map of the subdivisions in question will be required. Please provide the department with a plat map of the property purchased. Also please find enclosed a copy of a map showing the place of use of Water Right number 75-93D, for your review. Please note the fee for an ownership change not requiring a split is \$25.00 per water right, which is paid under receipt number E036003 (in the amount of \$50.00) however an ownership change requiring a split is \$100.00 per water right.

Also water right 75-7427 is still in the permit stage, because a permit is considered personal property instead of real property an Assignment of Permit will be required. Please find enclosed an Assignment of Permit; please have the form completed by the current owners on the water right, a proof report of the permit is attached. The fee for an Assignment of Permit is \$25.00 which has already been paid under receipt number E036003.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

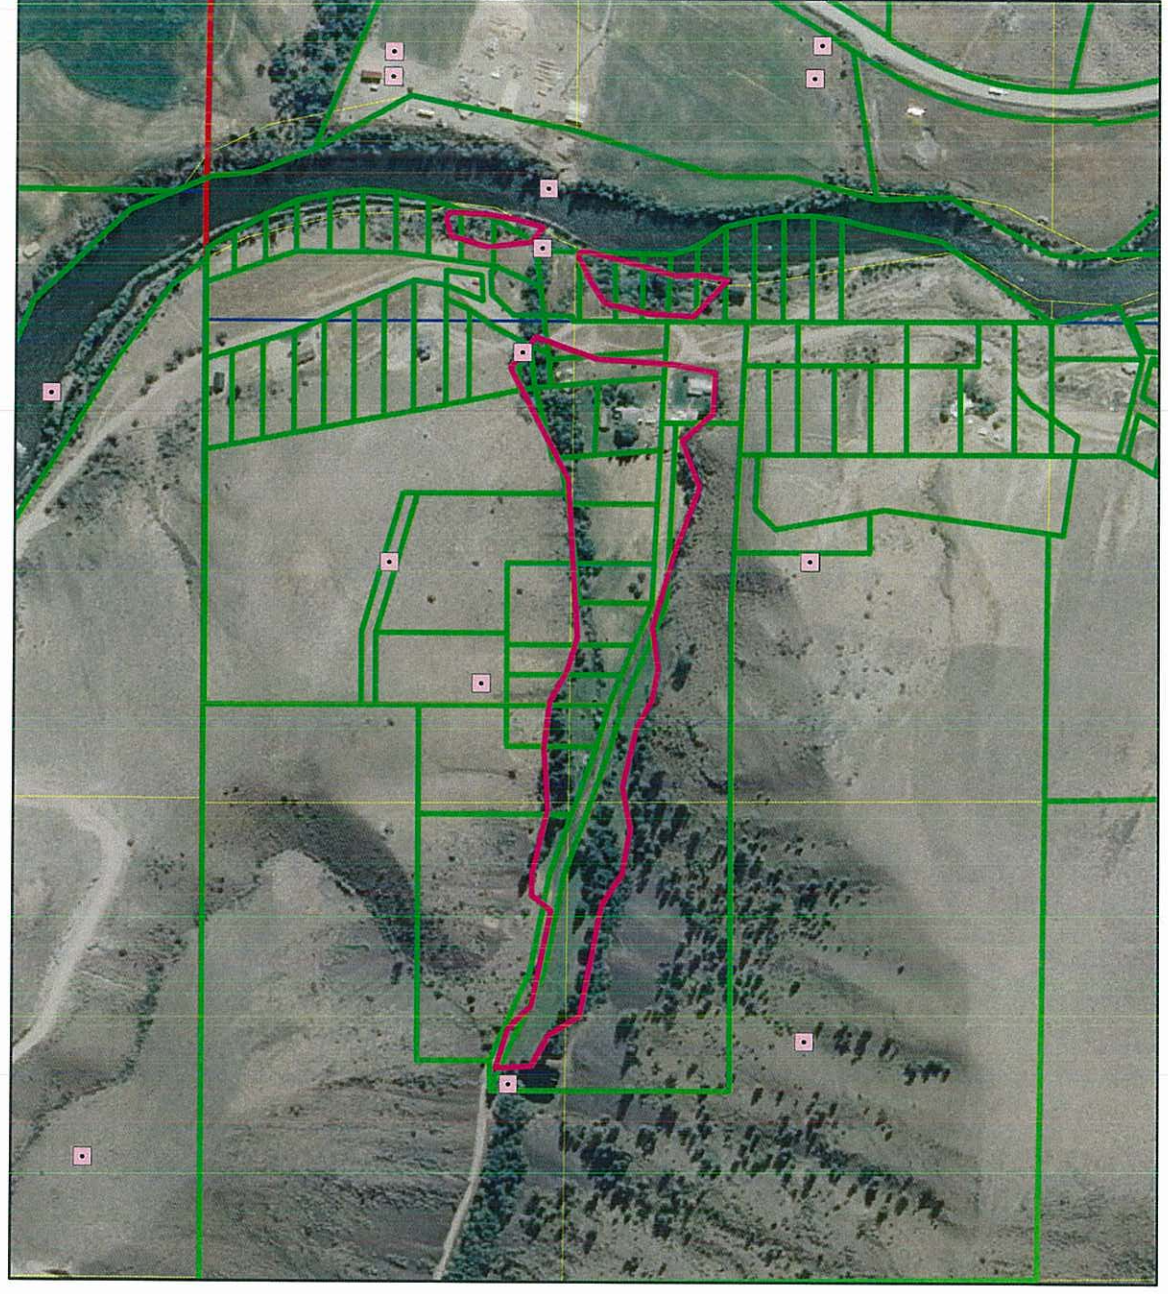

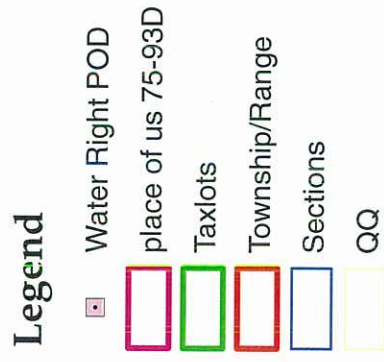

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
