Brad,
Thank you for the updated lease. I can list both entities as current owners since the Bargain and Sale Deed conveys to Little Enterprises, LLLP the parcel in Section 33. I will list David as an original owner.
A new proof report will go out later today.

Thanks,

Jean,

I am working with David Little on the change of ownership for water right 65-533. We are looking to change the name so that the late David Little doesn't show as the current owner of record. If that means just having Little Land and Livestock as the current owner that is fine as it is a current business entity along with Little Enterprises LLLP. The land in section 27 is owned by the State of Idaho but we have had the lease on the land going back to before 1981. The current copy of the lease is attached and the land to our knowledge has been in the state's ownership and hasn't been exchanged when the late David Little was running the cattle operation. If there is anything I can do to help with this, please let me know.

Thanks,

Brad McIntosh

After reviewing your request for an ownership change of water right 65-533, it was determined that more information is needed before I can complete this request. Water right 65-533 is a stockwater right for Township 09N, Range 01E, Section 27 NWSW and Section 33 SWSE. The deed only covers Section 33. If you have additional deeds that cover Section 27, you may send it to our office or fax it to 208-334-2348. Also, the land lease you is for Little Land & Livestock and expired on December 31, 2005. If you have an updated lease agreement please send this too. Thank you for your cooperation.

The Department of Water Resources received your request for an ownership change for the above mentioned water rights. These water rights are no longer valid as they were combined with #65-533 and claimed in the Snake River Basin Adjudication process under #65-533. The current owners of water right # 65-533 are David Little and Little Land and Livestock. Please let me know if you would like to change your request to change the ownership of 65-533 to Little Enterprises LLLP. I will apply \$25 to the ownership change and refund \$25 of check # 2010 the accompanied the request.

If you have any questions, please call this office at 208-334-2190.

Thank you.
