PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 35-13522

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

On March 18, 2011, the department received a \$50.00 filing fee along with a request for extension of time, which the department denied per order dated March 23rd, 2011. Therefore, I will initiate the process to refund the \$50.00 filing fee you submitted. You should receive a State of Idaho check for \$50.00 within ten (10) business days under separate cover for the fee you paid.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office or at the department's website at: www.idwr.idaho.gov

If you have any questions concerning the field examination, please contact the **Eastern** Regional Office of the department in Idaho Falls at (208) 525-7161

Sincerely,
