RE: Water Right 63-9346

Dear Ms. Dyas:

Thank you so much for your letter of March 17, 2011. Hopefully this response to your letter will clarify the situation for you.

When the reviewer (Cherie Padilla) was preparing the license for approval, she noted that the current owner of tax lots nos. 34652000 0 and 34651000 0 is Canyon County. When the approved license was mailed to the current owner of record, we sent a copy to Canyon County as a courtesy to make you aware of the water right.

In order to update the ownership of this water right, a completed notice of change in water right ownership, a copy of the deed which conveyed the property and the \$25 fee is required. I am returning the change in address form as we cannot update the ownership based on this document and the contact information we have for Canyon County already indicates the 1115 Albany St. address.

Please call me at 208-287-4952, if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
