Re: Withdrawal of Application for Transfer of Water Right No. 76783

Dear Ms. Grimm:

We request the Idaho Department of Water Resources amend the spatial representation of the current place of use for our ground water rights, 63-3330B, 63-7075B, and 63-33230 as depicted on the enclosed map titled "Proposed/Corrected Daniel WR Spatial Data. We believe this map most accurately depicts the water rights.

We have also enclosed a Withdrawal of Application for Transfer of Water Right No. 76783 and request a refund of the \$100 transfer filing fee that we paid with our check #3009 written 8/30/2010.

Please contact me at 467 1525 if you have any questions or need further information.

Thank you.
