PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 23-11341

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

The department also acknowledges receipt of an Assignment of Permit for the above referenced water right to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer generated report for your records.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office or at the department's website at: www.idwr.idaho.gov

If you have any questions concerning the field examination, please contact the **Eastern** Regional Office of the department in Idaho Falls at (208) 525-7161

Sincerely,
