

TO DARLA BLOCK

TECHNICAL RECORDS SPECIALIST

DATE: FEBRUARY 13, 2011

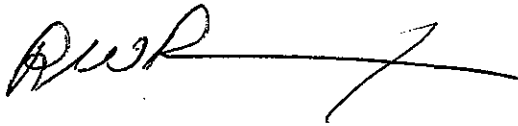

Dear Darla

RECEIVED
FEB 15 2011
DEPARTMENT OF
WATER RESOURCES

I am hereby requesting an extension of time in which to submit proof of beneficial use. We find that our plans for improvements have not been completed in the time allowed under the permit. It is my understanding that we need to provide you with this request at this time for consideration without loss of priority. At this time, due to the continuing poor economic conditions in our nation, the Pacific Northwest, and Idaho, we are requesting a five year extension.

Enclosed are the \$50.00 filing fee and the executed extension request, signed by myself.

Thank you for your consideration and your help
