BEFORE THE DEPARTMENT OF WATER RESOURCES

IN THE STATE OF IDAHO

In The Matter of Transfer No. 66703 in the
Name of Settlers Irrigation District for Water
Right No. 63-00230L

**PETITION FOR RECONSIDERATION OF
PRELIMINARY ORDER**

Settlers Irrigation District ("Settlers"), through its counsel, hereby petitions for reconsideration of Transfer No. 66703 Preliminary Order issued on March 17, 2011 and the preceding Preliminary Order issued on March 11, 2011. This petition is submitted under Idaho Coder Section 67-5245(3) and IDAPA 37.01.01.730.02.a.

Settlers requests that the Transfer Approval delete the following language from page 1 of the Transfer Approval and the Amended Transfer Approval:

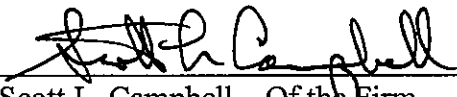

This transfer approval also modifies conditions of four associated water rights owned by Settlers Irrigation District, limiting the authorized irrigated acres to 13,127 acres within the place of use in a single irrigation season. The associated rights are: 63-11185, 63-2080, 63-231D, and 63-3060.

Settlers did not submit these referenced water rights to the jurisdiction of the Department in the transfer application.

Consequently, Settlers believes the Department has no statutory authority to impose the conditions or limitations of the quoted language upon water rights 63-11185, 63-2080, 63-231D, and 63-3060.

DATED this 21st day of March, 2011.
