RE: Change of ownership Water Rights: 71-10195, 71-10193, 71-7000, 71-10194,
71-10196, 71-10197, 71-28, 71-29, 71-10763, 71-10764, 71-2085B

Dear Water Right Owners,

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

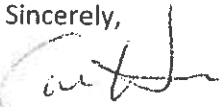

In research for this ownership change, two more water rights 71-10764 and 71-2085B were discovered and changed into your name, but I am unable to change water rights 71-33B, 71-34C and 71-10191. These rights are located in Township 08N and I didn't receive support documentation for this area. Please feel free to resubmit these rights with the proper support documentation and fees in the future.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Carrie Hahn
Clerk
