RE: Change in Ownership of Water Right No. 65-11015

Dear Interested Parties:

On March 14, 2006, the department received your notice of change in water right ownership. On June 21, 2007, the department sent you a letter (copy enclosed) requesting evidence of water right ownership as the commitment for title insurance is not a conveyance document.

As of this date no response has been received. Please submit a copy of the conveyance document so that we can complete the ownership change for you. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
