Re: (2) Water Bank Applications- John D. and Rosemary McGonigal

Dear Mr. Marshall,

Enclosed are two applications in the names of John D. and Rosemary McGonigal in Blaine County to lease water rights 37-655A and 37-21477 to the water supply bank. These rights are diverted from an unnamed stream and Willow Creek and have priority dates of 07/01/1888 and 05/15/1881. The McGonigal's would like to lease the above mentioned water rights for the remainder of this irrigation season, at the current rental rate.

Please copy our office on all correspondence regarding these two water supply bank lease applications. If you have any comments or questions, please don't hesitate to call, thanks for your time and we hope to hear from you in the near future.

Regards,

Zach Latham, Hydrologist
