RE: Change of Address

Dear Ms. Zaccardi:

Thank you for your letter of March 10, 2011, which notified the department of the change in address for Baseline Canal Association and Jeff & Cathy Zaccardi. While searching for water right records which match the named contacts, I found that we have no water rights under the name of Jeff Zaccardi. I did find that water right nos. 37-433G, 37-434G, 37-435G, and 37-436G are in the names of Cathy Zaccardi and Christye Negreonte Testamentary Trust. I updated the contact information for Cathy Zaccardi only. If Jeff Zaccardi is also an owner of the property where these water rights are located, a Notice of Change in Water Right Ownership along with the supporting documentation and fees will need to be submitted to update the water right records.

While searching the contact table for Baseline Canal Association, I found that water right nos. 37-1206, 37-2556A, 37-4109, and 37-891B are in the name of Baseline Canal Co., c/o Cathy Zaccardi. I did update the contact record for Baseline Canal Co. Water right 37-2556A is also in the name of Baseline Pump Assn #2 and water right 37-4109 is also in the name of Baseline Pump Assn #1. I did *not* update the contact information for these rights.

I am enclosing two change in address forms and a notice of change in water right ownership form for your convenience. The forms can also be found on the department's website at www.idwr.idaho.gov.

Please feel free to call me at 208-287-4952, if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
