RE: Carpenter Water Supply Bank Rental Agreement – 2011 Irrigation Season

Monica Van Bussum:

Enclosed is the agreement for Ed Carpenter to rent water from the Water Bank. Ed Carpenter has a lease on the same ground from his dad, Dean Carpenter. In 2008, 2009 and 2010 Ed Carpenter, through his dad, rented from the Water Supply Bank five (5) acres (i.e. 0.10 cfs/17.5 ac-ft) of water right 31-7167A (Scott &/or Barbara Carpenter).

Ed Carpenter requests rental of the same water for the 2011 season. Hopefully, the information included on the enclosed application for Ed Carpenter to rent water from the Water Bank is sufficient to accomplish tying the two together.

If a copy of a Water Bank Extension application for 5 acres of 31-7167A from Scott &/or Barbara Carpenter has not been received by the Water Supply Bank, I can provide the extension.

It would be appreciated if copies of any correspondence to Mr. Ed Carpenter could also be forwarded to me.

Please feel free to contact this office for any additional information.

Thank you,
