To Whom it may concern;

I am sending you \$50⁰⁰
to "Notice of Change in Water
Right Ownership" for water rights
nos. 63-24147 and 63-24148"
under protest. I do not feel
that dropping my ex-husband's
name off these water rights
constitutes a change of
ownership when my personal
money bought the property &
pursued filing for the rights &
paid for them as well.

Please send me a receipt for
my personal records regarding
this matter as my banking
institution does not return my
cancel checks.

It would not hurt my
feeling whatsoever should you
review this matter & return
my check.

Thank you for your prompt
attention.
Sincerely,
Shirley Anne Nye
