

John Wentra,

Per my email of 3/2/11, I'm requesting
or petitioning for reconsideration of
your order issued 2/24/11 regarding
transfer # 74427 (Columbia River bars).

On March 8th, I met department staff
to amend the original application and
submit a portion of the requested information.
Please allow up to 6 months for remaining
items. It is my intent to have all
conditions met as soon as possible.

Thank you
