Subject: Water Bank Lease Application – Pat Thacker

Dear Aaron,

Enclosed on behalf of Pat Thacker is an application to lease water to the Idaho Water Supply Bank (a portion of Water Right No. 31216). Mr. Thacker purchased the water right during the time a ground water right could not be developed in the area of concern upstream of the Star Bridge.

IDWR subsequently issued a permit for the same water use (1993 application date) and Mr. Thacker wishes to protect his considerable investment in water right 63-31216 by placing it in the IWSB. IDWR staff at the Western Regional Office have recommended this approach.

Please let me know if there are any questions. Thank you.

Sincerely,

Roxanne Brown
