Subject: Another Water Bank Lease Comment

Hello Rex,

I have another water bank lease request. This water right is 63-32597 from Stewart Creek Tributary to the Boise River. This right is owned by Terteling Company and is located just upstream of Quail Hollow Golf Course in Stewart Gulch. I checked with the Stewart Gulch Watermaster, and he informed me that he only regulates the geothermal wells in that area. Unfortunately, that places it under your jurisdiction. I have included a copy of the proof report for you. Please let me know if you have any concerns.

Thank you.
