RE: Notice of Change in Water Right Ownership

Dear Mr. & Mrs. Eckert:

The Department of Water Resources is in receipt of the notice of change in water right ownership for water right 63-8298. Additional information is required to process your change in ownership.

Water right 63-8298 covers parcel nos. 200 and 205 of Lot 4, Block 2 of Winward River Heights Subdivision. The deed you submitted only covers parcel no. 205. If you did not purchase both parcels, then a division of the water right is required and the additional fee of \$75 is due. Please submit the additional fee to divide the water right or, if you purchased parcel no. 200, submit a copy of that deed.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Emalee Rushing".
