Per our telephone conversation today, it is my understanding that all lots have been stubbed in, and are ready for water to be used. Attached is the form for filing proof of beneficial use along with the instructions and filing fee schedule. The license examination fee is based on the maximum diversion rate of 0.31 cfs(cubic feet per second) listed on your permit. You have already paid \$50.00 of the \$100.00 fee, so \$50.00 is due with your proof form.

Sincerely,
