Re: John Lezamiz Family Limited Partnership

Dear Mrs. Van Bussum:

In March of 2008 applications to rent the full amount of water under water rights 34-230, 34-231, 34-232, 34-2275 and 34-2350 for John Lezamiz Family Limited Partnership and 55 acres under 34-7076 for Last Ranch. Also submitted was a rental agreement for 4.25 CFS.

Much has changed since these applications were submitted. Amendments are being made to 34-230, 34-231, 34-232, 34-2275 and 34-2350 for John Lezamiz Family Limited Partnership lease applications. It is no longer desired to rent the water back to John Lezamiz Family Limited Partnership. A new application to lease water from water right 34-2418 is being submitted with the amended applications.

A transfer is being prepared to increase the allowed irrigated acres within the current PPU for John Lezamiz Family Limited Partnership. It is desired to install a wiper pivot in Section 30. However, the desired acres under the pivot are not attainable under the current water rights. The proposed transfer will provide the additional acres needed. After the proposed transfer is approved, the lease agreement for 34-230, 34-231, 34-232, 34-2275 and 34-2350 will no longer be needed to protect the water rights and will be withdrawn from the Idaho Water Supply Bank.
