Re: Change in Water Right Ownership for Water Right 37-21115

Dear Sandi:

I received your Notice of Change in Water Right Ownership yesterday. When I sent you the owner change form and advised you the fee was \$50 on May 26, 2010, water right 37-21115 had not been decreed by the Snake River Basin Adjudication court and was not subject to a filing fee. However, since that time the right was decreed on June 29, 2010, and is now subject to a \$25 fee.

Because the Department cannot process the ownership change without proper fee, we will hold any action on your notice pending receipt of the necessary fee. Please send the additional fee to my attention within 30 days or we will return your notice and all attachments and your notice will not be processed.

Thank you for your prompt attention to this matter and please feel free to contact me if you have any questions.

Sincerely,
