Re: Amended Application for Permit No. 37-20743

Dear Mr. Speck:

The Department of Water Resources acknowledges receipt of the Amended application for permit on behalf of your clients.

This office has scheduled advertising the Amended Application in the **Idaho Mountain Express on 3/2 & 3/9/11**. A period of ten days following the second publication will be allowed for the submittal of protests. **(March 21, 2011)**

As you are aware, the original application was protested. If additional protests are received, you will be sent a copy. All protests must be resolved before the application is approved or denied, either at the regional level or at our State Office.

If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
Administrative Assistant
