RE: Notice of Final Rejection--Application for Transfer #76825

Dear Mr. Kohtz:

On 12/21/10, the Department granted your petition for reconsideration for the above application for transfer by conditional order. The order authorized you an extension of time to March 1, 2011 for providing additional information required for the transfer application.

This letter will serve notice the requested information has not been received by the March 1, 2011 deadline; therefore, the conditional order conditions have not been met. The 12/02/10 preliminary rejection order has become a final order rejecting the transfer application, see attached order. Application for Transfer #76825 is rejected, and will be removed from the Department records.

Should you have questions, please contact me at the Western Regional Office, phone 334-2190.

Sincerely,

A handwritten signature in cursive script that reads "John Westra".
