***RE: CHANGE IN WATER RIGHT OWNERSHIP NAME AND RELINQUISHMENT OF OLD
WATER RIGHT***

Dear Allen,

I have received Transfer Approval Notice 76885. Thank you and your staff for the help on this vital and complicated transfer.

The application inadvertently listed Darrell and Patricia Funk as co-owners. This is not the case. Attached is the filled out form you sent removing Darrell and Patricia Funk as co-owners. Please use the conveyance documents accompanying the transfer application as evidence of ownership of water rights and lands. Please make this change in the water right ownership.

In addition, as suggested in your letter, I would like to relinquish Permit No. 47-8246 as it is no longer needed as a result of approval of transfer 76885.

Sincerely,

John Sudik
