RE: Change in Ownership Water Right No. 35-2449

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** copy of 'recorded' Deed, Title Policy or other legal document indicating your ownership of the property and/or water rights in question. On February 23, 2011 the department sent a letter requesting a copy of your recorded warranty deed, the deed submitted with your application was from Eastern Idaho Production Credit Assn to Vincent and Kerry Benson, however the deed was not recorded. On March 1, 2011 the department received a warranty deed from Vincent and Kerry Benson to Vincent and Ilene Benson, which is recorded. If it is your intent to change the ownership from Eastern Idaho Production Credit Assn to Vincent and Kerry Benson the department will require a copy of the 'recorded' Warranty Deed submitted with your original application.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
