RE: APPLICATION TO LEASE WATER RIGHT NO. 63-32131 TO THE
WATER SUPPLY BANK

Dear Applicant:

Idaho Department of Water Resources (Department) records show that water right no. 63-32131 was split through Snake River Basin Adjudication (SRBA) proceedings. The water right has been split into water right claim nos. 63-32851, 63-32852, and 63-32853. Department records indicate that you are now the owner of water right claim no. 63-32852.

The Department received your Application to Sell or Lease a Water Right to the Board's Water Supply Bank (application) on October 20, 2006. Your intent was to lease a 3.0-acre portion of water right claim no. 63-32131 to the Water Supply Bank (Bank). This portion is now recommended in the SRBA under water right claim no. 63-32852. If you wish to lease this right to the Bank, please provide a written statement with your signature amending the application to reflect the current water right claim number. If the Department does not receive the requested documentation within thirty (30) days, your application will be returned.

If you have any questions, please contact me at 287-4943.

Sincerely,

Aaron Marshall
