RECITALS

By Pre-Trial Order entered by this Court on February 12, 1993, the trial in this matter was bifurcated with issues pertaining to a partition of the real estate presented at Court Trial on February 19, 1993. At the conclusion of that trial, the Court orally entered its Findings of Fact and Conclusions of Law with respect to the partition of the real estate which Findings and Conclusions have been transcribed.

By agreement between the parties, a 400 acre parcel of the so-called Star Farm was sold to a third party on May 13, 1993; and, by another agreement between the parties, the Montierths Defendants conveyed their interest in the remaining 520 acres of the Star Farm to the Plaintiffs on or about November 12, 1993.

Pursuant to Idaho Code §6-512, the Court entered its Order of Reference on June 9, 1993 wherein W. Roy Brown, Anthony Moreda and Robert W. Smith were appointed referees with directions to determine a proper division of the portion of the real property known as the "Nampa Farm".

Thereafter, the Court entered its Order on Referee's Report on October 4, 1993 directing that the parties conduct a lottery to determine which party would receive which parcels. On October 5, 1993, the parties with their counsel met, the lottery was conducted and with certain modifications to the referee's Report, the parties stipulated to a division of the Nampa Farm.

Attached hereto as Exhibit "A" and by this reference made a part hereof is a schematic map of the real property known to the

parties as the Nampa Farm containing thereon, in addition to the real property, certain ground water wells.
