**Re: Amended Application for Permit No. 37-20743
Brian L. Smith and Diane Steffey Smith**

Dear Allen:

Enclosed you will find the original and a copy of the above-referenced Amended Application for Permit No. 37-20743. Please have your assistant receipt date stamp the copy and return it to me in the self-addressed postage-prepaid envelope I have included for that purpose.

The amendment makes the changes we have discussed. I also changed the diversion of storage season to match the irrigation season for the water rights that will be used as mitigation.

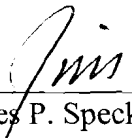

Please let me know right away if an additional filing fee is required. Let me know when you will be able to advertise this amendment.

Thank you.

Sincerely yours,

Re: *Amended Application for Permit No. 37-20743*
Brian L. Smith and Diane Steffey Smith

Dear Tim:

Enclosed you will find copies of my letter of this same date to Allen Merritt and the Amendment Application for Permit which we are filing with IDWR. This amendment includes all of the changes we discussed and is consistent with the draft approval prepared by Allen which I previously sent to you. Hopefully the County will agree to this Amended Application going forward without further protest. I look forward to hearing from you as soon as possible.

Sincerely yours,
