RE: Water Supply Bank Lease for 37-26 and 37-27

Dear Lessor:

This letter is to update you on the status of your water rights 37-26 and 37-27, for irrigation in Blaine County. These water rights have been leased to the Bank in their entirety since May 8, 2003. **Your water rights are considered leased into the bank, and should remain unused, until you release it from the bank.**

If you wish to leave your water rights leased to the bank, and unused, you do not need to do anything. To release your water right from the bank, please visit the Department's website and complete the Request to Release form on the Forms page. Please contact me at (208) 287-4907 or Monica.vanbussum@idwr.idaho.gov if you have any further questions.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
