**RE: WATER SUPPLY BANK LEASE APPLICATION(S)
WATER RIGHT NO(S). 36-8662 AND 36-16742**

Dear Applicant:

On March 20, 2009, the Idaho Department of Water Resources (Department) received your application to lease a portion of the above-mentioned water rights to the Water Supply Bank (Bank). I spoke to your consultant, Greg Sullivan of Brockway Engineering, last week and he indicated you no longer need the leases to be processed. He also indicated there might be a new round of lease applications forthcoming. For these reasons, the Department is closing the records for the lease applications received in 2009.

Please contact me at (208) 287-4907 if you have any questions.

Sincerely,

A handwritten signature in black ink, reading "Monica Van Bussum". The signature is fluid and cursive, with the first name "Monica" being the most prominent part.
