RE: Water Supply Bank Lease for 61-12119 and 61-12182

Dear Lessor:

This letter is to update you on the status of your water rights, 61-12119 and 61-12181, for irrigation in Elmore County. These water rights have been leased to the Bank in their entirety since September 22, 2005. **Your water rights are considered leased into the bank, and should remain unused, until you release them from the bank.**

If you wish to leave your water rights leased to the bank, and unused, you do not need to do anything. To release your water rights from the bank, go to the following url, complete the form and mail it: http://www.idwr.idaho.gov/RulesStatutesForms/WaterRights/PDFs/Water_Bank_Release_or_Extension.pdf.

Again, your water rights are considered leased to the bank, and should remain unused, until you release them. Please contact me at (208) 287-4907 or Monica.vanbussum@idwr.idaho.gov if you have any further questions.

Sincerely,

A handwritten signature in black ink that reads "Monica Van Bussum". The signature is fluid and cursive, with the first name "Monica" being more prominent.
