**RE: WATER SUPPLY BANK APPLICATIONS FOR 97-7004 AND 97-7061
CHANGE IN OWNERSHIP FOR WATER RIGHTS 97-7004 AND 97-7061**

Dear Lessor:

On June 5, 2007, the Department received a change of ownership from Paul and Marie Jayo to Kalispel Tribe of Indians. Subsequently, on November 9, 2009, the Department received your application to lease portions of the above-mentioned water rights to the Water Supply Bank.

On October 16, 2009, Dayna Ball of the Department wrote a letter stating the legal description in the title insurance policy you sent in support of your change of ownership differs from the place of use described on the water right license. The letter stated,

The Department cannot process the ownership change without proper documentation. We will hold your application for 30 days pending receipt of the necessary information. If we do not receive the documentation within that time, we will return your notice and all attachments unprocessed.

To this date, we have not received further correspondence. Without the change of ownership, the Department cannot process the Water Supply Bank lease applications, either.

I am enclosing:

1. A copy of the Department's October 16, 2009, letter asking for more information.
2. The original change of ownership and its supporting documents.
3. The original Water Supply Bank lease applications.

For questions regarding the change of ownership, please contact Emalee Rushing at (208) 287-4952. For Water Supply Bank questions, please contact me at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
