RE: APPLICATION TO LEASE WATER RIGHT NO. 37-7343 TO THE WATER SUPPLY BANK

Dear Lessor:

On June 13, 2005, the Department received your application to lease portions of the above-mentioned water rights to the Water Supply Bank.

This water right was partially decreed in the Snake River Basin Adjudication on December 11, 2002, to Harriett and Vernon Ravenscroft. We received correspondence from you in 2005 indicating you might have ownership of the property and the property was still in probate. We were unable to process the application because we did not have designation of authority for you to file Water Supply Bank applications.

Additionally, water right ownership change you submitted in 2005 has not been processed and water right ownership is still in the name of Harriett and Vernon Ravenscroft because we do not have the supporting documentation to change the ownership for the water right.

To this date, we have not received further correspondence, so we are returning the applications to you. If you wish to file for a lease in the future, please apply again. The forms are available on our website, www.idwr.idaho.gov.

If you have any further questions about your Water Supply Bank application, please feel free to call me at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
