B. OWNERSHIP

- Do you own the land at the proposed point of diversion? Yes ☐ No ☒
If no, list owner, contact information, and provide documentation of the authority to use the proposed point of diversion. United Water operates the well under an agreement with owner Micron Technology, Inc. Information attached.
- Do you own the land at the proposed place of use? Yes ☐ No ☒
If no, list owner, contact information, and provide documentation of the authority to use the proposed place of use. Customers connected to United Water's contiguous distribution system.

C. MAP

Attach a map identifying the proposed point(s) of diversion, place(s) of use, and water diversion and distribution system details as described by this application in section A. Include legal description labels.

D. GENERAL INFORMATION

1. Please provide a description of the proposed diversion system. 16-inch diameter well with submersible pump connected to United Water's distribution system.
2. Describe any other water rights diverted through the same point(s) of diversion or used for the same purpose(s) as described above. United Water uses approximately 110 water rights at approximately 85 points of diversion (wells and two surface water treatment plants) to meet customer demand in its contiguous service area as defined by the Idaho PUC.
3. Will the proposed place of use receive water from any other source? Yes ☒ No ☐
If yes, describe. United Water's Columbia water treatment plant and other United Water municipal supply wells that pump into United Water's contiguous distribution system.
4. If the proposed use is not for irrigation, please provide a detailed description of the proposed use and how you determined the amount of water required. Attach additional sheets if needed. Water will be used for Municipal purposes by customers of United Water. The amount of water requested for rental will allow United Water to maintain acceptable distribution system pressure during times of peak customer demand.
5. Are there any other applications pending before the Department, such as an application for permit or transfer, for the same use(s) proposed by this rental? Yes ☒ No ☐
If yes, describe. Transfer application No. 72036 (involving right 63-12363 Cassia No. 2 well) and the Integrated Municipal Application Package application involve rights for Municipal use by United Water.
6. Was this rental application submitted in response to a Notice of Violation or a pending Notice of Violation? Yes ☐ No ☒
If yes, describe. _____

E. RENTAL TERM

1. Do you wish to rent water from the Board's bank for more than one (1) year? Yes ☐ No ☒
If yes, please specify the number of years desired through proposed rental. _____

I hereby assert that the information contained in this application is true to the best of my knowledge. I understand that any willful misrepresentations made in this application may result in rejection of the application or cancellation of an approval.

If this application is approved, the applicant agrees to the following:

1. The use of water under this agreement shall be subject to the provisions of Section 42-1766, Idaho Code.
2. Renter shall comply with all applicable state and federal laws while using water under this agreement.
3. Renter shall hold the Board, the Director, and the state of Idaho harmless from all liability on account of negligent acts of the renter.
4. The Director may terminate diversion of water if the Director determines there is not a sufficient water supply for the priority of the right or portion thereof being rented.
5. Failure of the renter to comply with the conditions of this agreement is cause for the Director to rescind approval of the rental agreement.
6. Renter is not authorized to use water proposed by this application until the rental fees are paid in full and the renter receives an executed copy of the agreement signed by the Director.
