Re: Water Bank Lease and Rental Applications

Dear Mr. Marshall:

Please find enclosed with this letter the following two applications to the Water Bank:

1. Application to lease a portion (1.78 cfs/ 167.0 AF) of water right 63-8236, a municipal use groundwater right owned by United Water Idaho.
2. Application to rent (1.78 cfs/ 167.0 AF) of groundwater for withdrawal by United Water Idaho from the Micron Oregon Trail well to supply municipal uses.

These applications correspond exactly to lease and rental agreements approved by the Department last year that allowed United Water to utilize the Micron Oregon Trail well.

Sincerely,
