RE: Change of Ownership for Water Right No(s). 31-7201, 31-7248, 321-7249, 31-7250, 31-7378, 31-10276, 31-10277, 31-10419, 31-10422, 31-10423 & 31-11690

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right(s) to you. The department received an ownership change on December 30, 2010 with no proof of ownership attached to the application so a deficiency letter was mailed on the same day requesting proof of ownership. During further review, the department found an application received on July 8, 2010, which is an ownership change for the same water rights to you. On August 9, 2010 the department mailed an acknowledgement letter (copy enclosed) and proof reports indicating your ownership. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

The ownership change received on December 30, 2010 was not necessary since the department had previous record of you ownership so the department will send a refund in the amount of \$275.00 for receipt number E036335.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
