Subject: RE: #37-22252 Dry Lot Annual Report to IDWR

Ms. Williams,

The report apparently has not yet been submitted to IDWR. The permit was approved so late in 2010 that there may have been no diversion of water to report. I will attempt to contact the permit holder to find out.

Subject: #37-22252 Dry Lot Annual Report to IDWR

Dear Ms. Keen:

Many thanks for your response from 12/21/10 with regard to Dry Lot, LLC's -- IDWR Permit Approval #37-22252.

I've checked on-line for a copy of the Dry Lot report but have not seen it posted yet.

Possibly it takes a few days after the report is received to appear on-line?

I've copied below the condition of approval requiring this report to be filed:

"By January 31 each year, the right holder shall report to the Department:

a) The volume of water diverted from the authorized points of diversion for each month of the prior calendar year, b) The number and location (by subdivision lot number) of the acres of land irrigated in connection with this right during the prior calendar year, and c) The number and location (by subdivision lot number) of the homes served domestic water from the authorized points of diversion pursuant to other water rights during the prior calendar year."

If it has been filed and I'm just not searching for it correctly, please let me know.
Thank you,

Risa Williams
