Dear Benny

Enclosed is the fee and application for the ground water transfer at the John Reitsma dairy located in the S1/2 of Sec 12 Township 12 South Range 16 East.

The operation plan is to supplement the existing 12 AF water right with additional 50 AF. The dairy produces organic milk with a herd of 900 milking and 300 replacement heifers. Water for this transfer will be used for stock water and commercial use.

Sincerely

Stan Haye
