

MEMORANDUM

TO: Monica Van Bussum
FROM: Daniel A. Nelson
DATE: 2/1/2011
SUBJECT: Walker Land and Cattle LLC. Water Bank Rental

I have reviewed the water bank database, and I was unable to find any water rights available in Basin 31 to provide water for the Walker Land and Cattle Water Bank Rental request for 2010 or 2011. The only active lease application is for water right 31-12174. This lease was scheduled to be leased from June 1, 2010 to December 31, 2010. Therefore, there are no active leases available for this rental.
