RE: Change of Ownership for Water Right No(s). 22-2198, 22-2297 & 22-7563

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right(s) to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

The ownership change for 22-7563 cannot be complete at this time. This water right is in the permit stage and cannot be complete without an Assignment of Permit completed by the previous owner. On March 31, 2010, the department sent a letter (copy enclosed) indicating the information necessary to complete this ownership change; at this time the department has not received the necessary information therefore we are refunding \$25.00 for receipt number E035192 in the amount of \$75.00 and the ownership change for this water right has not been completed. If at a later date you would like to complete the Assignment of Permit for 22-7563, please submit the enclosed form completed by the owners according to the departments records and the \$25.00 filing fee and the department will complete your application as soon as possible.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
