PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 75-14272

Dear Permit Holder:

This letter acknowledges receipt of the proof of beneficial use ("proof") form submitted for the above referenced permit. With the filing of the proof document you requested that the permit's measurement device condition be waived. The department has conducted a field examination to evaluate the need for the measurement device requirement. A decision will be made soon and you will be advised of the department's response to your request when that decision is concluded.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have any questions regarding my review of your permit, call me at (208) 287-4942 or additional questions concerning the field examination or the measurement device condition, please contact Michele Edl (208) 287-4946.

Sincerely,
