4. If the water rights and/or adjudication claims were split, how did the division occur?

- ☐ The water rights or claims were divided as specifically identified in a deed, contract, or other conveyance document.
☐ The water rights or claims were divided proportionately based on the portion of their place(s) of use acquired by the new owner.

5. Date you acquired the water rights and/or claims listed above: 1/26/07

6. This form must be signed and submitted with the following **REQUIRED** items:

- A copy of the conveyance document – warranty deed, quitclaim deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.
- Plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion for each water right and/or claim listed above (if necessary to clarify division of water rights or complex property descriptions).
- Filing fee (see instructions for further explanation):
 - o \$25 per undivided water right.
 - o \$100 per split water right.
 - o No fee is required for pending adjudication claims.

November 8, 2010

Ms. Trish Fawcett
Technical Records Specialist
IDWR – Southern Region
1341 Fillmore St. Suite 200
Twin Falls, ID 83301

Dear Trish:

Thank you for your assistance in transferring the ownership of my water rights at the Polo Fields in Bellevue, Farms in Bellevue, Idaho. I have given an overview of how the transition of ownership has been structured together with the supporting paperwork. Hopefully, this will make sense, but if not please give me a call and I will fill in what ever is missing.

Background:

- 1.) There are eight (8) Polo Field lots in the Polo Field and each of those lots own a 12.5% undivided interest in a ninth (9th) lot. All nine lots have water rights.
- 2.) I own two lots – Lot 7 in Block 3 of Bellevue Farms Subdivision and contiguous Lot 2 in Block 3 of Bellevue Farms Subdivision along with appurtenant water rights. Along with these lots I own 2 shares at 12.5% each of undivided interests (total 25%) of Lot 13B of Block 4 of Replat of Lot 13, Block 4 of Bellevue Farms Subdivision along with equal such interests in water rights associated with that jointly owned lot.
- 3.) Lot 2 was previously owned jointly by my wife Cheryl and me. I purchased her interest on 1/26/07 – see Quitclaim Deed enclosed together with water rights indicated thereon (Exhibit I). I then transferred the combined ownership of that Lot along with water rights to my living trust – see separate Quitclaim Deed enclosed, along with water rights indicated thereon (Exhibit II). Included in these deeds is the transfer of the 12.5% undivided interest in Lot 13B along with equivalent water rights on that lot. Essentially, the rights on Lot 2 and proportionate rights on Lot 13B should be transferred into the name of my Living Trust indicated on the Quitclaim Deed.
- 4.) Lot 7 has always been owned as my separate property until I transferred that Lot into my living trust on 1/26/07 – see Quitclaim Deed enclosed (Exhibit III) together with appurtenant water rights. The associated 12.5% of Lot 13B was also transferred in this Quitclaim Deed.

Essentially, the water rights of both lots Lot 2 and Lot 7 now should be recorded in the name of my trust “Jared R. Williams Revocable Trust under agreement dated November 11, 2005” along with my two undivided interest shares of Lot 13B.

I have enclosed the transfer fee at 18 times \$25 as you indicated (counts lot 13B transfers once).

I would appreciate new documents illustrating the revised ownerships for my records if that is possible.

Thank you,

Jared R. Williams
