RE: Water Right Permit 63-11831

Dear Permit Holder(s):

I previously forwarded to you an Application for Amendment so that you could amend your permit to depict your water right as it has actually been developed. I have not yet received the amendment. If I do not receive the amendment within **14 days**, I will issue your license for what I can without the amendment. This means that your license will be issued without 1.6 acres in the SE $\frac{1}{4}$ SW $\frac{1}{4}$ of 3N, 1E, Sec. 33 and you will have to secure a different water right for the above mentioned lands.

Please note that there is a **\$50.00** filing fee for this amendment. A copy of the Application for Amendment is enclosed for your convenience.

If you have any questions regarding this matter, please call me at 208/287-4944.

Sincerely,
