RE: Water Right Permit No. 84-12147 Woodland Meadows Subdivision

Thank you for your letter of January 4, 2011. After reading through out options, we would like to choose the option to drop the irrigation component, and go with the Domestic "internal and external use" for the permit. No one lot will exceed the irrigation limit.

Thank you for your consideration in this matter,

Traci Telecky, secretary
Woodland Meadows Subdivision
204 Woodland Meadow Road
Orofino, ID 83544
