RE: Change in Water Right Ownership

Dear Lois Richards:

The Department of Water Resources ("Department") has received correspondence from you indicating that Herbert E. Richards is now deceased. The only active water right we found in his name was decreed in his name only. Therefore, a notice of change in ownership is required to change ownership of this water right to your name and address. Enclosed is a computer generated report which is a representation of decreed water right no. 65-8900, in the name of Herbert E. Richards.

The Department requires the filing of an Ownership Change form submitted with evidence showing the basis for the change in ownership. If his name is on the deed, we will also need a copy of the death certificate. The filing fee is \$25 per water right. Enclosed is an Ownership Change form for your use.

If you have any questions, please feel free to contact me at 208-287-4952.

Sincerely,

For

Emalee Rushing
Office Services Supervisor
