CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 65A.
2. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion.
3. The rate of flow associated with this right is provided by the point of diversion described above from Fir Tree Gulch Ck. The other points of diversion listed above do not have a live-flow component with them because they are located within the stream channel.

State of Idaho
Department of Water Resources
Water Right License

WATER RIGHT NO. 65-13598

CONDITIONS OF APPROVAL CONTINUED

4. The point of diversion listed above within the NWNE of Sec. 27, T10N, R1E; also known as Pond #4, shall not exceed a total capacity of 2.9 acre-feet when combined with right 65-13677.
5. The five (5) ponds established by the storage of water under this right shall not exceed a total capacity of 26.2 acre-feet.
6. Wildlife use is for upland fowl habitat improvement.
7. After specific notification, the right holder shall annually report to the Department the amount of water diverted under this right.
8. When water is not available to fill this right, the right holder shall cease diversion or shall rent water from the Payette River Rental Pool.
9. The storage of water under this right is contingent upon the certification of the dam and authorization of storage per the dam safety provisions of the Idaho Code.
10. This right authorizes the diversion of an annual total of 5.8 acre-feet to be used for the replacement of losses caused by evaporation.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 26th day of January, 2011.

for GARY SPACKMAN
Interim Director
