Re: Water Right Permit Nos. 65-13598, 65-13599, 65-13677\

Dear Ms. Padilla:

I am writing on behalf of my clients, Betty Derbonne-Mooers and Jack Mooers in response to your letter of December 29, 2010. Your letter requested that Mr. and Mrs. Mooers execute Applications for Amendment of the above-referenced permits to ensure that the permits describe the water use that was actually developed - per the beneficial use examinations already conducted. Those executed Applications for Amendment are enclosed herewith.

It is my understanding that upon your receipt of these Applications together with the enclosed check payable to the Idaho Department of Water Resources in the amount of \$150.00, these water right permits will be promptly licensed. Please contact me if my understanding is incorrect.

My clients and I look forward to receiving the licenses for these rights from you.

Sincerely,

Charles L. Honsinger
