

MEMORANDUM

Date: November 10, 2010
To: Water Right File 72-7392 (Stricklan)
From: Michele Edl
Re: mining claim status

In a recent phone conversation with William Stricklan's widow, Marie Stricklan, about a water right permit associated with her husbands mining claims, Mrs. Stricklan stated that she had already changed the ownership of the claims with BLM.

I requested confirmation from the State office of the BLM that mining claims, which were in the name of William Stricklan on Adair Creek, were valid.

Stewart Lundgren responded with a phone call and followed by email with attachments. The documentation he provided is a print out from their database showing 6 claims active in Marie Stricklan's name. They are IMC #s 13661, 13662, 13663, 13665, 13666, and 13667. Mr. Lundgren noted on the print-out that the assessments have been paid through 2011.
