**RE: APPLICATION TO LEASE WATER RIGHT NO. 61-12038 TO THE WATER
SUPPLY BANK**

Dear Mr. Kelly:

The department has completed its review of the Applications to Sell or Lease Water Right(s) to the Water Supply Bank ("bank"). Please consider that the offered water right(s) are accepted into the bank.

Several items to keep in mind in connection with the lease of a water right to the bank are as follows:

1. There is no rental payment to the owner of the water right if the right or a part thereof is not rented from the bank.
2. While a right is in the bank, the owner of the right may not use the right even if the right is not rented.
3. A right accepted into the bank stays in the bank until the Board releases it or until the lease term expires.
4. While a water right is in the bank, forfeiture provisions are stayed.
5. Acceptance of a right into the bank does not, in itself, confirm the validity of the right or any elements of the water right.
6. The lessor may be required to provide evidence of availability of the surface water source prior to rental of the right.
